Have on hand

Additional Items to Consider Adding to an Emergency Supply Kit:

- Prescription medications and glasses
- Infant formula and diapers
- Pet food and extra water for your pet
- Important family documents such as copies of insurance policies, identification and bank account records in a waterproof, portable container
- Cash or traveler's checks and change
- Emergency reference material such as a first aid book or information from www.ready.gov
- Sleeping bag or warm blanket for each person. Consider additional bedding if you live in a cold-weather climate.
- Complete change of clothing including a long sleeved shirt, long pants and sturdy shoes. Consider additional clothing if you live in a cold-weather climate.
- Household chlorine bleach and medicine dropper – When diluted nine parts water to one part bleach, bleach can be used as a disinfectant. Or in an emergency, you can use it to treat water by using 16 drops of regular household liquid bleach per gallon of water. Do not use scented, color safe or bleaches with added cleaners.

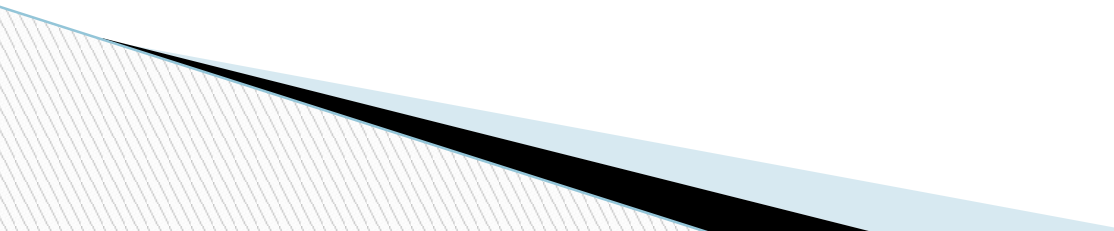

Ready

Prepare. Plan. Stay Informed.®

Emergency Supply List

Specifically for Extreme Heat:

- ❑ Drink plenty of water; even if you do not feel thirsty. Avoid drinks with caffeine.
 - ❑ Never leave children or pets alone in closed vehicles.
 - ❑ Check on family, friends, and neighbors who do not have air conditioning and who spend much of their time alone.
 - ❑ Check on your animals frequently to ensure that they are not suffering from the heat.
 - ❑ Go to a designated public shelter if your home loses power during periods of extreme heat. Stay on the lowest floor out of the sunshine if air conditioning is not available.
